

## A LITTLE ABOUT US

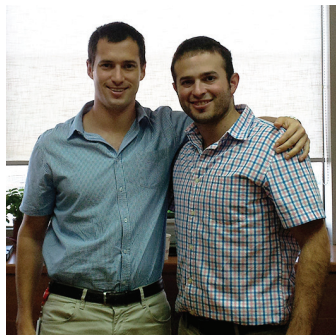

**BDO Ziv Haft** is a dynamic and business oriented accounting and consulting firm, ranking amongst the five leading industry firms in Israel and part of the international BDO network.

## THE POSITIONS

We are looking for bright, sharp, energetic go-getters who know how to "get things done" and who wish to prove themselves in a serious business environment.

**Business Development Analyst** will be locating, developing, defining, and negotiating business relationships for joint ventures. The intern will work back-to-back with various units, teams and clusters in the firm, assisting with business development, marketing, market research, and sales oriented tasks.

**Consulting Group Business Development Analyst** will be identifying business opportunities for our Corporate Finance, Project Finance, Corporate Debt, Corporate Social Responsibilities, & Operation Consulting units.

This is a great opportunity for eager interns to learn, grow and work with the MASA team.

## THE ADDED VALUE

Transportation costs are covered!  
YOU take the lead on projects.  
Potential for a full time offer.  
Great company environment!

*"Working at BDO, I was given real responsibilities to manage different projects and learned about a broad range of different subjects within the Israeli financial sector and other industries."*

**-Josh Lowenstein, 2014**

*"The BDO internship is for someone who is highly motivated and a self starter. If you are interested in potentially moving to Israel, BDO could be the perfect launching pad into an Israeli Career."*

**-Elena Davidson, 2014**
